Dear Ms. Jeanette Loveys- Chief Administrative Officer,

The Sunshine Coast Skating Club is excited to announce the confirmation of Elvis Stojko to perform two shows on March 11th, 2017 at the Gibsons Area and Community Center.

Elvis Stojko, born in Newmarket, Ontario is known as the Canadian figure skater whose outstanding jumping ability helped him win three world titles (1994, 1995, and 1997) and two Olympic silver medals (1994 and 1998). Stojko was a groundbreaking skater pushing the boundaries of athleticism in the sport at a time when judges were more impressed by technical virtuosity. That style made him a major fan favourite when he moved on to professional shows.

The Sunshine Coast Skating Club has been instructing Skating on the Sunshine Coast for over 30 Years. We offer a variety of ice programs for every skill and discipline, ranging from Learn to Skate Programs, CanPower Skate for Hockey and all the way up to Competitive Figure Skating. All programs are taught by Skate Canada NCCP Certified Coaches.

On March 11th, 2017 we hope to spotlight the Sunshine Coast Skating Club to the entire Sunshine Coast. We would like to ask that you consider becoming a sponsor of this major event.

We have included a sponsorship proposal package for your review. Please do not hesitate to contact me with any questions regarding the event. I thank you in advance for taking the time to read through the package and for the consideration of your support.

Sincerely,

Kate Turner
